Bloop Internship Programme

What do we offer?

Bloop is a technology company specializing in innovative solutions for audio processing, sound design, music performance and multimodal systems. With a commitment to technical excellence and a broad portfolio of services and solutions, Bloop provides technology and consulting services to a wide variety of industries, companies and consumers worldwide.

Bloop’s Internship Programme offers a wide range of opportunities for students to gain insight in the research, development and innovation programmes of Bloop.

The internship usually runs for a period of not less than 3 months and a maximum of 6 months. Exceptionally, internships may be extended up to a maximum of 9 months depending on your degree requirements. Unfortunately, Bloop internships are not paid and all costs of travel and accommodation are the responsibility of the intern or the sponsoring institution.

Who are we looking for

- You are enrolled in a degree programme in a graduate school (second university degree or higher) both at the time of application and during the internship.
- You have completed at least three years of full-time studies at a university or equivalent institution towards the completion of a degree.
- You are at least 20 years old.
- You are fluent in Italian and English.

Application procedure

To apply, please send the following material (maximum length - three pages) to jobs@bloop-labs.com, including “Internship” in the subject line of your message:

- Your details regarding your education, current studies, language and computer skills.
- A Cover Letter to express your motivation for applying for a Bloop Internship.
- Any useful additional information.
